THE HONORABLE JEFF REISIG
Yolo County District Attorney
301 2nd Street
Woodland, CA 95695

Dear District Attorney Reisig,

On behalf of ***Crime Victims United of California (CVUC)***, it is my pleasure to inform you of our endorsement for your re-election as the Yolo County District Attorney.

As you know, CVUC is a bi-partisan, statewide organization comprised of victims of crime, law enforcement officials, legal professionals and others who work to protect and enhance public safety. These professionals, along with CVUC, work to promote effective crime reduction measures and strengthen the rights of crime victims. Based on your strong philosophical support for our issues, we have unanimously placed you on our consent calendar and endorsed your campaign for re-election.

You may use the name of "***Crime Victims United of California***" as an endorser for your campaign, however we ask that we receive a copy of each usage on all printed materials for our approval and files.

We look forward to your victory and appreciate your support for the victims of crime. Please do not hesitate to contact me directly.

Sincerely,

Harriet Salarno
