To whom it may concern,

The Davis Police Officers Association endorses incumbent DA Jeff Reisig's candidacy for the office of District Attorney for Yolo County. Jeff is an established leader in innovative and groundbreaking approaches to criminal justice. Under his leadership, the Yolo County DA's office has established a mental health court that works to divert individuals into mental health resources instead of traditional incarceration. Jeff's programs have become a model that other agencies emulate in addressing this growing concern.

The Yolo County DA's office implementation of a blind sentencing program has improved transparency and eliminated the perceptions of bias in the charging and prosecution of cases in the criminal justice system here in Yolo County. Jeff's efforts to balance public safety, victim advocacy, and eliminate the unnecessary incarceration of the mentally ill and substance addicted people makes him the ideal candidate to continue leading law enforcement in Yolo County. DA Reisig's track record as a fair, ethical, experienced, and innovative DA has earned the trust of law enforcement and first responders working in Yolo County.
